### Issue 13.

This document is a work in progress. It is liable to change as guidance from Government, the Church of England, the Diocese and Bishop Christopher changes and is updated. If we do not follow current and changing advice our insurance cover could also be affected. It is also likely to change as we gain experience in operation. Every effort is being made to keep the document up to date, please check the revision date or the C of E web site.

<p><b>Decision to Close the Church for Public Worship.</b></p> <p>Ministry Team Decision made on 6<sup>th</sup> January and ratified by the PCC on 12<sup>th</sup> January 2021</p> <p><b>The decision will be reviewed by the Ministry Team during February</b></p>	<p>The decision was made for two reasons, (1) the age and vulnerability of several members of the Ministry Team and (2) the fact that new variants of the COVID 19 virus are at least 50% more easily transmittable than the original version with an escalating rate of infection and Tier 4 restrictions.</p>	<p>The Church remains open each morning Monday to Saturday from 10am to 12noon for private prayer. The provisions for cleaning, hygiene and quarantine remain in force.</p>

<p><b>The “Rule of Six”</b></p>	<p>A suitable lone working policy has been consulted however it is not anticipated that lone working will be required during the initial stages</p> <p>The Government has introduced the “Rule of Six” which allows more than six people to gather in a venue but in groups of no more than six and they cannot interact between groups. The number of groups who can meet is determined by the capacity of the venue. Social distancing rules apply, sanitisers and face masks must be worn.</p> <p>Subsequently the Archdeacons have provided further clarification on the interpretation of the rules.</p> <p>The rule of six applies to the Church and the Church Hall. <p>A one-way flow system will be implemented.</p>	<p>Entry to the Church will be via the North Doors and Exit via the South Door. The only seating to be used for visitors are a number of plastic chairs since they are easy to move and clear.</p> <p>A one-way system will be established using Furniture and/or rope to prevent access to regular seating and restricted areas. Unnecessary furniture will be cleared out of the way. Access to the Chancel will not be allowed, but it will not be roped off.</p>	<p>Some furniture has already been re-arranged and plastic chairs put in place.</p> <p>In view of the limited number of visitors there is no need for a one-way system because social distancing can be easily maintained.</p>	<p>Church Wardens</p> <p>Ongoing</p>
<p>Church opening hours to be established and a rota system created for Stewards. A minimum of one steward on duty but they may be joined by members of the clergy etc for visitor pastoral support</p>	<p>Opening hours to be published on Church web site and weekly pew sheet.</p> <p>A notice to be provided regarding the route through the church, the seating to be used, areas out of bounds and cleanliness requirements.</p> <p>Opening hours to be agreed with the vicars. A schedule of people available to act as stewards to be prepared to match opening hours</p>	<p>A steward will not be required to do more than a two-hour shift. They should have their own mobile phone and bring their own refreshments because the kitchen and toilet will not be available.</p>	<p>Ian Wilkie/Liz Simpson</p> <p>Church Wardens</p> <p>Completed</p> <p>Peter Upward</p>
<p>Strict hygiene measures to be implemented.</p>	<p>Hand sanitizers to be placed at the entry to the church and at the exit. Stewards to insist that they are used by every visitor before entry is permitted,</p> <p>Bacterial wipes and disposable rubber gloves to be available for use by stewards in order to clean the plastic chairs after use.</p> <p>Wardens to consider further cleaning before the church is locked each night.</p>	<p>Materials to be purchased as necessary.</p> <p>Each steward to use a fresh pair of gloves. Used wipes and gloves to be disposed in a plastic bag or alternative container which will be placed in the large waste bin by the hall at the end of each day.</p>	<p>Liz Simpson/ Roger Clear</p> <p>Church Wardens Stewards</p>

<p><b>Over 70's and Those Shielding for medical or Other Reasons</b></p>	<p>The social distancing measures we have put in place are set out in this document,</p> <p>Our policy is that all are welcome to worship at St Mary's. We will advise those over 70 of the arrangements we have put in place for social distancing and cleanliness but it is then up to the individual to decide whether or not to attend.</p>	<p>If anyone has a doubt or concern about attending a service, they can discuss that concern with a member of the clergy.</p> <p>See also guidance on public worship.</p>	<p>Wardens</p>	<p>Before Services in Church are scheduled to start.</p>
<p><b>Timing</b></p>	<p>The Vicars will decide when the first service will be held in Church.</p> <p>As a target it is hoped to hold a regular communion service in church by the end of August but Zoom services are also likely to continue.</p>	<p>Bishop Christopher's advice on doing things safely has been taken into account</p>	<p>Revs Nicky-Sue and Mike Terry</p>	<p>Done</p>
<p><b>Holy Communion Services</b></p>	<p>All arrangements for holy communion services in accordance with General Principles above.</p> <p>In addition to the sanitisers available at the church entrance, individual bottles of hand sanitiser will be distributed or placed on seats for use during communion.</p> <p>There will be no Server or Lay Assistant.</p> <p>There is specific guidance on the safe administration of communion principally for ministers in the way the service is conducted. The salient points for communicants are as follows:</p> <p>In most cases communion will be distributed at the Chancel steps, not at the alter rail.</p> <p>Wine is permitted for the president and members of his/her immediate</p>	<p>To be discussed in detail by the whole Ministry Team</p> <p>The guidance on administration of communion with the introduction of mandatory wearing of face masks from 1<sup>st</sup> August is now very specific.</p> <p><u>National C of E advice on Holy Communion 17<sup>th</sup> August 2020</u></p>	<p>Wardens/ Ministers</p> <p>President</p> <p>President/Minister</p>

Two or three principle mourners may be allowed to process with the coffin provided they can be accommodated on the front row of chairs.</p> <p>If more people attend than previously agreed the minister should decide whether the service can go ahead safely. <b>Arrangements for Limited Attendance Weddings</b>	<p>The officiating minister must explain to the family how the church will be arranged and the restrictions that will be in place, including no live music and singing.</p> <p>The wedding couple will be asked to provide a list of up to 15 people attending and they will be checked against the list on arrival. Seating to be in "family bubble" groups, maintaining social distances. Please also explain track and trace requirements.</p> <p>Both doors can be used but with limited attendance consider using the north door alone. Other arrangements in accordance with General Arrangements above</p> <p>If kneelers and fabric chairs are used by the marriage couple in the Chancel they should be left in situ and not touched for at least 72 hours. This should not be a problem because the Chancel will otherwise be out of bounds.</p> <p>See specific guidance: The minister does not have to touch the ring or the couple's hands and hand sanitiser should be used by each person before and after signing of the register.</p> <p>Other arrangements as for funerals above</p>	<p>If a rehearsal is held it should be timed so that there is no conflict with private prayer times</p> <p>Hopefully the couple will adhere to the number but if more attend they may have to be turned away.</p> <p><u>National C of E advice on weddings (26/9/2020)</u></p> <p>Guidance does refer to volunteers or employees of the church, who do not count in the 30 people allowed.</p>	<p>Minister/Wardens</p> <p>Minister/ Wardens</p> <p>Minister</p>	Timing to be coordinated.

<b>Arrangements for Limited Attendance Baptisms</b>	<p>The officiating minister should explain to the child’s family how the church will be arranged and the restrictions that will be in place, including no live music and singing. The limitation on attendance explained and a list of attendees up to max of 6 for a private baptism obtained. When baptism is to take place as part of public worship the “rule of 6” does not apply and an assessment of numbers should be made so that the capacity of the church is not exceeded. Record keeping for NHS Track and Trace should also be explained</p> <p>When meeting the parents and Godparents before the service social distancing should be maintained in line with guidance current at the time. C of E guidance is that the minister should not hold or touch the baby. A parent or Godparent should hold the baby during the service at the font. See specific C of E guidance the conduct of the service.</p> <p>Other arrangements in accordance with General Arrangements.</p>	<p><u>National C of E advice on baptisms</u> (26/9/2020)</p> <p>Oil should be applied to the baby in the form of a cross using an applicator, not the minister’s finger.</p>	Minister	
<b>Arrangements for limited attendance confirmations</b>	<p>This guidance follows the guidance for public worship including limiting numbers to 6 people per confirmation candidate up to a maximum of 5 candidates and the wearing of facemasks together with specific guidance on the conduct of confirmation and baptism. Guidance includes preparation of candidates as well as the conduct of the service itself.</p>	<p><u>National C of E advice on confirmations</u> (26/9/2020)</p>	Bishops, Ministers and Wardens
